COMMENT, THANKS!

HELLO!

WE ARE STILL
RECRUITING! ALL
POSITIONS!

妹口7

is said to have
turned blind in his
final years; but with
an unwavering desire
to create art, he
continued to *wield
a chisel** using his
sense of touch.

Da Vinci's
rival and
Renaissance
master
Michelangelo
Buonarroti

...However,
he died before
he was able to finish
the "Rondanini
Pietà".

*sculpting

Art.007
[Built-in Camera]

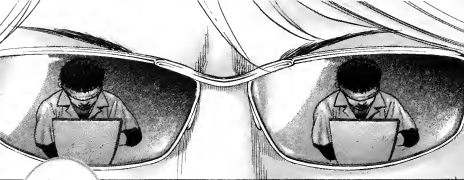

GO BEYOND
THAT BY A
SECOND, AND YOU
IMMEDIATELY
GET SHOT
TO DEATH.

DRAW A
PORTRAIT WHILE
BLINDFOLDED
WITHIN TEN
MINUTES.

IF THE PORTRAIT
DOESN'T LOOK LIKE
ME, ALL THE SAME,
YOU IMMEDIATELY
GET SHOT
TO DEATH.

COME TO
THINK OF IT,
I SAW A BLIND
ARTIST ON TV
A LONG
TIME AGO.

USING ONLY HIS
SENSE OF TOUCH,
HE COULD ACCURATELY
DESCRIBE AND
DETERMINE THE
FORM OF AN
OBJECT.

5 MINUTES!

BUT IN
AN EXTREME
LIFE-AND-DEATH
SITUATION, ONE'S
SENSES WOULD
SURELY GET
DULL...

JOU'S
ENJOYING
THIS.

H...HE'S
SMILING.

I WAS
SERIOUSLY
AIMING
TO BECOME
AN ARTIST
IN THE PAST.

I ADMIRE MONET,
THE "PAINTER
OF LIGHT".

YOU,
WHOM
DO YOU
LIKE?

ISN'T JOLI
SCARED?

6 MINUTES!

I SAID,
YOU'RE
NOISY.

HE'S CALM
EVEN THOUGH
HE MIGHT GET
KILLED JUST
LIKE THAT?

BUT I WONDER
WHY THAT GUY
CHOSE TO DO
ABSTRACT PAINTING
ALTHOUGH HE'S
TALENTED IN
DRAWING.

7 MINUTES!

OR IS HE
JUST TOTALLY
CONFIDENT?

ON THE
OTHER HAND,
THERE ARE GUYS
WHO PURSUE
REALIST PAINTING
EVEN THOUGH
THEY DON'T
HAVE THE
TALENT.

8 MINUTES!

WE REALLY
DON'T HAVE
ANY CHANCE
OF WINNING!

THESE PEOPLE
PLAN TO KILL US
FROM THE START.

2 MINUTES
LEFT!

1 MINUTE
LEFT!

IT'S JUST
ASKING FOR
THE IMPOSSIBLE
IN THE END.

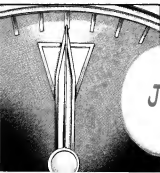

J...JOU--

20
SECONDS
LEFT!

...6...
5...
4...

S-SAVE ME...

JOU!

1

I'M BLIND.

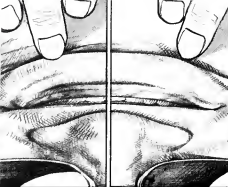

TOO BAD,

YOU DIDN'T
INTEND
TO JUDGE
FROM THE
START.

THAT'S
DIRTY.

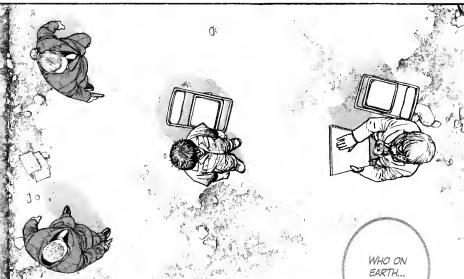

TH...
THIS GUY, TOO...
HE'S CHECKING
BY TOUCHING IT
WITH HIS HAND.

HE'S ACCURATELY
TRACING OVER
THE PENCIL LINES.

WHO ON
EARTH...

SFX: SMILES

IT'S YOUR WIN,
JOU KARABA.

IT LOOKS
LIKE ME.

I CAN CLEARLY
REMEMBER THE
IMAGE CAPTURED
AFTER I FOCUS ON
A CERTAIN MOMENT
AND RELEASE
THE SHUTTER.

WHAT "SAVANT"
ARE YOU
TALKING ABOUT?
I CALL THIS
MY "BUILT-IN
CAMERA".

*A general term for a condition wherein a person with a communication disorder manifests a rare, extraordinary ability in a very specialized field.

DO YOU HAVE
SAVANT
SYNDROME?

HOW'D YOU
FIND JOU,
AI-SAN?
YOU CAN
USE HIM,
RIGHT?

HE WAS ABLE
TO CREATE
A FLAWLESS
DRAWING EVEN
IN SUCH AN
INTENSE
SITUATION.

DEHEHEHE,
THE BLOOD
FROM THE
IMPACT WAS
A LITTLE
TOO MUCH.

SFX: FLOP

AH, HE'S
DEFINITELY
EXCEPTIONAL.
